The Organization of the Reichsicherheitshauptamt

1. The following information concerning the structure of the RSHA was given to us by a source who is well placed and in a position to know but whose reliability we still do not wish to guarantee.

2. The RSHA, according to our source's present knowledge, is divided into certain administrative Hauptämter:

- I. Personal Amt
- II. Verwaltungsamt

The head of both these offices is Oberstgruppenführer BRACKER; his administrative assistant is Brigadeführer Erwin SCHILL.

III. Amt für Volksgruppenwesen und Volksgruppenführung

The head is Obergruppenführer LORRENZ and the Administrative Chief is Brigadeführer REIERNS.

3. The RSHA is divided into a number of Political Hauptämter.

- 1. The SS
- 2. The Gestapo

The head of these two divisions is FALTENBERGER.

3. Kriminal Polizei, etc.

The head of this division is DALMEIDT. These three divisions together form the Deutsche Polizei.

4. Amt für Volkswirtschaftliche Mittelstellen

The Chief is REIERNS and his administrative assistant is REIERNS. Combined with this is the Politische Führung der Volksgruppen und Betreuung für which HEDLER personally is the Sonderbeauftragter "Für die Festigung des Deutschen im Ausland". Also under the Politische Hauptamt, the numerical numbers of which source does not remember, are:

- (a) the Stabs (military) - HEDLER is now the head.
- (b) Rassenpolitischeamt
- (c) Amt für Sippenforschung.

4. Our source says that the Hauptamt für Auswärtige Politik, formerly headed by RUTENBERG and then by RÖHMERT, is now headed by Brigadeführer GIL.
